

Guard Against Expensive Damage

A leader in the industry, Flambeau's reusable conductive product line significantly reduces electrical resistance and provides an extremely high permanent level of conductivity to dissipate static charge buildup, alleviating electrostatic discharge (ESD). Our proprietary blend of carbon loaded HDPE materials are a guarantee that Flambeau conductive products will protect the most sensitive equipment and perform in the harshest environment.

Technical Data

- Surface Resistivity 10^{10} - 10^{11}
(ASTM D 257 / ESD S11.11)
- Static Decay <2.0 Seconds (MIL-PRF-81705D)

Features

- Double-wall Construction - Maximum Physical Protection
- Locking Tabs (select items)
- Reusable
- Stackable
- Secure Positive, Integral Double Latches
- Permanently Anti-Static
- ESD Protection

Conductive Cases

Options:

- Clear Conductive Window (*Special order styles only*)
 - Easy part identification without compromise of Faraday Cage protection
- Grounding Snap
 - Reduces surface charges so the case can be safely opened without damaging contents
- Antistatic or Conductive Foam
(*Conductive quoted separately*)
(*Antistatic included upon request, foam is glued into case*)
 - Provides physical shock resistance, reduces the potential for static build-up and arc potential due to the low friction coefficient of the foam

Model Number	Stock Number	Description	Dimensions (Inside, L x W x D**)	Packed
50019 	50019	5 x 3 Conductive Case	5-1/16" x 2-3/4" B*, 2-5/8" L* x 1" (13.49 x 6.99 B*, 6.67 L* x 2.54 cm)	341/ctn

Связь**

Мы молодая и активно развивающаяся компания в области поставок электронных компонентов. Мы поставляем электронные компоненты отечественного и импортного производства напрямую от производителей и с крупнейших складов мира.

Благодаря сотрудничеству с мировыми поставщиками мы осуществляем комплексные и плановые поставки широчайшего спектра электронных компонентов.

Собственная эффективная логистика и склад в обеспечивает надежную поставку продукции в точно указанные сроки по всей России.

Мы осуществляем техническую поддержку нашим клиентам и предпродажную проверку качества продукции. На все поставляемые продукты мы предоставляем гарантию .

Осуществляем поставки продукции под контролем ВП МО РФ на предприятия военно-промышленного комплекса России , а также работаем в рамках 275 ФЗ с открытием отдельных счетов в уполномоченном банке. Система менеджмента качества компании соответствует требованиям ГОСТ ISO 9001.

Минимальные сроки поставки, гибкие цены, неограниченный ассортимент и индивидуальный подход к клиентам являются основой для выстраивания долгосрочного и эффективного сотрудничества с предприятиями радиоэлектронной промышленности, предприятиями ВПК и научно-исследовательскими институтами России.

С нами вы становитесь еще успешнее!
