

ES5 Series

CONNECTOR

MB-0243-2

May 2013

RoHS Compliant

Socket (ES5S001JF1)

Plug (ES5P09K5F1)

The ES5 Series is a compact, low-profile 1-pin connector compatible with stranded cable.

The ES5 Series is ideal for use in a wide range of applications including LED lighting, LCD TV backlight, tablet PC, and other compact devices.

Features

- No insulator, low-profile design (mounted height: 1.6mm).
- Detachable locking structure (connector retention strength: 16N min.).
- Socket (SMT side) is available in embossed reel packaging for automated mounting.
- RoHS compliant.
- Exclusively for stranded cable.
- Mis-mating prevention structure.

General Specifications

- No. of Contacts: 1 position
 - Contact Resistance: 30mΩ max. (initial)
 - Rated Current: AC / DC 4A
 - Mating Cycles: 20 times
 - Operating Temperature: -40 to +105 Deg. C
 - Applicable wire: 24AWG to 28AWG
(Outer cable diameter: 1.6 to 0.9mm diameter)
- *Please contact us concerning applicable cable.

Materials and Finishes

Component	Material / Finish
Socket Contact Plug Contact	Copper alloy / Sn plating

Ordering Information

Note 1: An embossed tape reel contains 5,500 pieces.

Note 2: An embossed tape reel contains 9,000 pieces.

Notice:

1. The values specified in this brochure are only for reference. The products and their specifications are subject to change without notice. Contact our sales staff for further information before considering or ordering any of our products.
For purchase, a product specification must be agreed upon.

2. Users are requested to provide protection circuits and redundancy circuits to ensure safety of the equipment, and sufficiently review the suitability of JAE's products to the equipment.

3. The products presented in this brochure are designed for the uses recommended below.

We strongly suggest you contact our sales staff when considering use of any of the products in any other way than the recommended applications or for a specific use that requires an extremely high reliability.

(1) Applications that require consultation:

(i) Please contact us if you are considering use involving a quality assurance program that you specify or that is peculiar to the industry, such as:

Automotive electrical components, train control, telecommunications devices (mainline), traffic light control, electric power, combustion control, fire prevention or security systems, disaster prevention equipment, etc.

(ii) We may separately give you our support with a quality assurance program that you specify, when you think of a use such as :

Aviation or space equipment, submarine repeaters, nuclear power control systems, medical equipment for life support, etc.

(2) Recommended applications include:

Computers, office appliances, telecommunications devices (terminals, mobile units), measuring equipment, audiovisual equipment, home electric appliances, factory automation equipment, etc

Связь**

Мы молодая и активно развивающаяся компания в области поставок электронных компонентов. Мы поставляем электронные компоненты отечественного и импортного производства напрямую от производителей и с крупнейших складов мира.

Благодаря сотрудничеству с мировыми поставщиками мы осуществляем комплексные и плановые поставки широчайшего спектра электронных компонентов.

Собственная эффективная логистика и склад в обеспечивает надежную поставку продукции в точно указанные сроки по всей России.

Мы осуществляем техническую поддержку нашим клиентам и предпродажную проверку качества продукции. На все поставляемые продукты мы предоставляем гарантию .

Осуществляем поставки продукции под контролем ВП МО РФ на предприятия военно-промышленного комплекса России , а также работаем в рамках 275 ФЗ с открытием отдельных счетов в уполномоченном банке. Система менеджмента качества компании соответствует требованиям ГОСТ ISO 9001.

Минимальные сроки поставки, гибкие цены, неограниченный ассортимент и индивидуальный подход к клиентам являются основой для выстраивания долгосрочного и эффективного сотрудничества с предприятиями радиоэлектронной промышленности, предприятиями ВПК и научно-исследовательскими институтами России.

С нами вы становитесь еще успешнее!
