

**KL** Low Leakage Current series

- Standard low leakage current series.
- Compliant to the RoHS directive (2011/65/EU).

## Specifications

| Item                            | Performance Characteristics  |                    |   |       |   |                 |   |       |   |     |             |                                 |       |       |      |      |      |      |      |      |   |                  |       |       |       |       |       |       |       |       |
|---------------------------------|--|--------------------|---|-------|---|-----------------|---|-------|---|-----|-------------|---------------------------------|-------|-------|------|------|------|------|------|------|---|------------------|-------|-------|-------|-------|-------|-------|-------|-------|
| Category Temperature Range      | -40 to +85°C (※ -40 to +105°C product is also available upon request, but product rated at up to 50V less than or equal to φ10 × 12.5 Lmm)   |                    |   |       |   |                 |   |       |   |     |             |                                 |       |       |      |      |      |      |      |      |   |                  |       |       |       |       |       |       |       |       |
| Rated Voltage Range             | 6.3 to 100V  |                    |   |       |   |                 |   |       |   |     |             |                                 |       |       |      |      |      |      |      |      |   |                  |       |       |       |       |       |       |       |       |
| Rated Capacitance Range         | 0.1 to 10000µF   |                    |   |       |   |                 |   |       |   |     |             |                                 |       |       |      |      |      |      |      |      |   |                  |       |       |       |       |       |       |       |       |
| Capacitance Tolerance           | ±20% (M), ±10% (K) at 120Hz 20°C   |                    |   |       |   |                 |   |       |   |     |             |                                 |       |       |      |      |      |      |      |      |   |                  |       |       |       |       |       |       |       |       |
| Leakage Current                 | After 1 minute's (for case size 10 × 12.5 or smaller) or 2 minutes' (for case size 10 × 16 or larger) application of rated voltage at 20°C, leakage current is not more than 0.002CV or 0.2 (µA) whichever is greater.   |                    |   |       |   |                 |   |       |   |     |             |                                 |       |       |      |      |      |      |      |      |   |                  |       |       |       |       |       |       |       |       |

Rated ripple current (mArms) at 85°C 120Hz

Rated ripple current (mArms) of 105°C product : 70 percent value of rated ripple of 85°C product at 105°C 120Hz

## Стандарт Электрон Связь

Мы молодая и активно развивающаяся компания в области поставок электронных компонентов. Мы поставляем электронные компоненты отечественного и импортного производства напрямую от производителей и с крупнейших складов мира.

Благодаря сотрудничеству с мировыми поставщиками мы осуществляем комплексные и плановые поставки широчайшего спектра электронных компонентов.

Собственная эффективная логистика и склад в обеспечивает надежную поставку продукции в точно указанные сроки по всей России.

Мы осуществляем техническую поддержку нашим клиентам и предпродажную проверку качества продукции. На все поставляемые продукты мы предоставляем гарантию .

Осуществляем поставки продукции под контролем ВП МО РФ на предприятия военно-промышленного комплекса России , а также работаем в рамках 275 ФЗ с открытием отдельных счетов в уполномоченном банке. Система менеджмента качества компании соответствует требованиям ГОСТ ISO 9001.

Минимальные сроки поставки, гибкие цены, неограниченный ассортимент и индивидуальный подход к клиентам являются основой для выстраивания долгосрочного и эффективного сотрудничества с предприятиями радиоэлектронной промышленности, предприятиями ВПК и научно-исследовательскими институтами России.

С нами вы становитесь еще успешнее!
