

Fully configurable, high-reliability, rugged display solution with choice of brightness, touch and video input 18.5" Industrial Open Frame Monitor

- 18.5" LCD wide screen panel with LED backlight for long service life
- Wide operating temperature 0 ~ +50° C for broad range of applications
- High brightness 300 cd/m²
- Mechanical formats : open frame with VESA standard mounting
(Optional : closed frame)
- Configurable Options :
 - Brightness 300 cd/m²
 - Viewing angle 85°/85°/80°/80°
 - Mechanical housing
 - VGA,DVI
(Optional : HDMI or DisplayPort)
- Touch Options (USB and/or RS232 input) :
 - Projected Capacitive Touch
(Optional : 5-Wire Resistive or SAW or Infra-Red Touch)

The IDS31-185W is a fully configurable, flexible display solution, able to be specified in a variety of screen brightness's, touch technologies and video inputs including displayport. The product can be specified in a number of compact mechanical constructions meeting all mounting demands, delivering complete flexibility in product design. All products have been designed to meet the demands of the industrial market and have leading in service performance characteristics guaranteed by 100% product burn-in and the service back up of the global Advantech corporation.

- Casino and gaming
- Industrial controls
- Kiosks and point of sale
- Remote signage and public information
- Transportation

Display Features	Spec	Notes
Model	IDS31-185W	
Backlight	LED + TN	Light source
Resolution	1366 x 768	Native resolution. Other resolutions supported by A/D card scaling
Brightness	300 cd/m²	Measured at typical operating voltage
Viewing Angle	85°/85°/80°/80°	Left/Right/Up/Down
Surface Treatment	7H	MoHS/Anti glare
Contrast Ratio	1000:1	In laboratory measurement conditions
Max Colors	16.2m	6/8 bit per colour
Response Time	5 ms	Typical
Backlight Lifetime	50,000 hours	Typ. time to half brightness in room temperature operation

Technical drawing of the 15.5 inch LCD monitor, showing front, side, and rear views with dimensions and connector labels.

Front View:

- Overall width: 400
- Overall height: 276
- Inner display area width: 411.6
- Inner display area height: 232.2
- Bottom bezel width: 455
- Top bezel width: 180
- Top bezel height: 7
- Top bezel label: 8-M4 USER HOLE

Side View:

- Overall height: 130
- Bottom bezel height: 7

Rear View:

- Overall width: 400
- Overall height: 276
- Inner display area width: 411.6
- Inner display area height: 232.2
- Bottom bezel width: 455
- Top bezel width: 180
- Top bezel height: 7
- Top bezel label: 8-M4 USER HOLE
- Connectors (from left to right): VGA, DVI, DC, USB

Mechanical Features

Mechanical	Spec	Notes
Overall size	455 x 276 x 45 mm	[open frame] [closed frame] [proflat]
Active Area Size	409.8 (H) x 230.4 (V) mm	
Case / Bezel color	Zintec / Black power coat	Custom colour and finishes available
Weight	5.0kg	Typ .inc touch
VESA Mounting Options:	75 x 75 v 100 x 100 100 x 200 Brackets for panel mount	For User defined mounting requirements contact rep

Environmental Features

Environmental	Spec
Operating Temp	0 ~ +50° C
Storage Temp	-20 ~ +60° C
Humidity	90% RH
Vibration	5-500Hz, 0.026G/Hz, 2.16 Grms, X,Y,Z. 1hr per axis
Agency Approvals	CE, FCC, RoHS

Ordering Information

Model Name	Description
IDS31-185WP30DVA1E	18.5" widescreen, Industrial open-frame monitor with PCT Multi-touch touchscreen, 300CD/m ² brightness, VGA&DVI input

All Advantech monitors are configurable to order. Use www.advantech.com for guidance on versions, pricing and deliver for all models

Accessory Package

- Power supply (110V-240V), UK/EU/US power cord, VGA cable, DVI cable, USB cable (USB for touch option)

Мы молодая и активно развивающаяся компания в области поставок электронных компонентов. Мы поставляем электронные компоненты отечественного и импортного производства напрямую от производителей и с крупнейших складов мира.

Благодаря сотрудничеству с мировыми поставщиками мы осуществляем комплексные и плановые поставки широчайшего спектра электронных компонентов.

Собственная эффективная логистика и склад в обеспечивает надежную поставку продукции в точно указанные сроки по всей России.

Мы осуществляем техническую поддержку нашим клиентам и предпродажную проверку качества продукции. На все поставляемые продукты мы предоставляем гарантию .

Осуществляем поставки продукции под контролем ВП МО РФ на предприятия военно-промышленного комплекса России , а также работаем в рамках 275 ФЗ с открытием отдельных счетов в уполномоченном банке. Система менеджмента качества компании соответствует требованиям ГОСТ ISO 9001.

Минимальные сроки поставки, гибкие цены, неограниченный ассортимент и индивидуальный подход к клиентам являются основой для выстраивания долгосрочного и эффективного сотрудничества с предприятиями радиоэлектронной промышленности, предприятиями ВПК и научно-исследовательскими институтами России.

С нами вы становитесь еще успешнее!
