Weller[®]

- Soldering Guns & Irons
- Table Top & Micro Torches

Weller[®] has been the leading brand in professional-quality soldering equipment since 1945. In addition to its famous irons and soldering guns, Weller is also recognized as a leader in advanced electronic rework and repair equipment and irons for sophisticated industrial applications, as well as numerous products for DIYers and hobbyists.

Weller® Soldering Table of Contents

Contents	Page No.
Soldering guns and kits	225 - 227
Soldering gun tips	227
Solid state soldering gun	227

Heat guns and accessories	243
Weller numerical index	244

Standard Lightweight Gun Kit

- Single-heat gun produces 75 watts
- Ready to use in 15 seconds
- High efficiency tin-plated copper tip
- 2-wire cord
- Kit contains 7200 soldering gun, coil of lead free solder, 2 soldering tips and an instruction leaflet
- Packed in a clam shell
- UL and cUL listed
- 7 year warranty

See page 227 for soldering tip listing.

Cat No.	UPC No.	Description	Packed	Watts	Volts	Pack Wt.		Shelf Pack

7200PK	037103478801	Standard Soldering gun kit	Clamshell	75	120	6.0	2.71	3

Universal Gun and Kit

- Universal all-purpose gun
- Dual-heat gun produces 140 or 100 watts
- Pistol grip design
- Fingertip trigger selects high (1st trigger position) or low output (2nd trigger position)
- Ready to use in 6 seconds
- High efficiency, tin-plated copper tip
- Light illuminates work
- 2-wire cord
- Kit contains 8200 dual heat soldering gun, 1 soldering tip, 1 smoothing tip, 1 cutting tip, flux brush, soldering aid tool and a coil of lead free solder
- Instructions included
- UL and cUL listed
- 7 year warranty

See page 227 for soldering tip listing.

Weller

Professional Gun and Kit

- Professional heavy-duty gun
- Dual-heat gun produces 260 or 200 watts
- Pistol grip design
- Fingertip trigger selects high (1st trigger position) or low output (2nd trigger position)
- Ready to use in 6 seconds
- Heavy gauge, high efficiency, tin-plated copper tip
- Twin lights illuminate work
- 2-wire cord
- Kit contains D550 soldering gun with 1 soldering tip, 1 smoothing tip, 1 cutting tip, flux brush, soldering aid tool and a coil of lead free solder
- Instructions booklet included
- UL and cUL listed
- 7 year warranty

See page 227 for soldering tip listing.

Industrial Gun and Kit

Weller

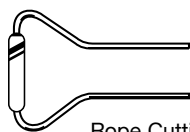

- Reliable industrial quality tool
- Heavy-duty dual-heat gun produces 300 or 200 watts
- Highest power output of all our soldering guns: 300 watts in high trigger (1st) position and 200 watts in low trigger (2nd) position
- Features nickel-plated copper secondary, heat-resistant thermoplastic housing
- 2-wire or grounded cord
- Nickel-plated copper tip
- Heavy-duty grounded cord
- Soldering, cutting and smoothing tips available
- Kit contains D650 soldering gun with one soldering tip and a coil of lead-free solder
- Instructions included
- UL and cUL listed
- 7 year warranty

See page 227 for soldering tip listing.

Pro Series High Performance Soldering Iron

WPS18MP

- Heats up to working temperature in just 35 seconds
- Patented design has performance equal to a 60 watt iron
- Red power-on LED changes to green when iron reaches working temperature
- LED work light illuminates working surface in low-light conditions
- Co-molded grip for a comfortable feel
- Tool is designed to be self-standing; no stand is needed
- Tips use a modular jack and plug for easy tip exchange
- Ideal for hobbies, kits, radios, electrical, and electronics
- 7 year limited warranty
- UL and cUL listed

Marksman® Mini Iron (12 Watt)

- Fine quality consumer mini iron
- 7"/178mm long
- Lightweight and pencil thin
- Ideal for fine soldering and hobby work such as electronic kits, model railways and jewelry making
- Replaceable nickel-plated copper tip
- Stainless steel barrel
- Heat and impact resistant handle
- UL Listed

See page 235 for soldering tip listing.

Marksman® Iron (25 Watt)

- Indicator light allows you to instantly see that the iron is on
- Fine quality consumer mini iron
- 8 1/4"/210mm long
- Featherweight iron with pencil handle
- Ideal for hobbies, kits, radios, and electronics work
- Includes MT1 1/8"/3mm diameter replaceable nickel-plated copper tip. Develops 750°F/400°C
- Stainless steel barrel and heat and impact resistant handle
- UL Listed. cUL Listed model available
- 7 year warranty

Therma-Boost Heat Tool

- For a wide variety of jobs including soldering, cutting, smoothing, and shaping
- Therma-Boost trigger gives you added bursts of power when you need it
- 2 lights on the back of tool indicate standard or Therma-Boost modes
- Heats up to working temperature in just 45 seconds
- For continuous use. Therma-Boost mode can be used intermittently
- Ultra-lightweight - weighs just 3 oz.
- Kit includes heat tool, stand, 6 multi-use tips, and instructions
- Tips are for soldering, rope and foam cutting, smoothing, and scoring
- Tip changes are fast and easy
- UL and cUL listed

See page 233 for soldering tip listing.

Butane Mini Soldering Iron with Piezo Ignition

- Piezo electronic ignition system for reliable ignition every time
- Adjustable gas flow valve controls temperature range
- Tip temperature 750° F / 900° F
- Up to 30 minutes continuous use on medium setting
- Refillable with Weller WB1 or WB2 filtered butane
- Also operates as a mini-torch when the tip is removed
- Window allows you to see fuel level
- Base allows tool to stand for hands free operation
- Safety cap can be replaced on tool for secure storage
- Use for soldering, heat shrink tubing, electrical, and electronics

See below for soldering tip listing.

Portasol® Professional Self-igniting Kit and Tool

P2KC

- ESD safe to protect sensitive components
- A lightweight, compact cordless butane soldering and hot air tool for ultimate portability
- Piezo ignition with push-button ease and convenience - adjusts from 25 watts to 75 watts
- Fast heat-up for high productivity - melts solder in less than 40 seconds
- Gas capacity allows up to one hour of continuous use - ample for most jobs
- Refills in less than 20 seconds so you can stay on the job
- Automatic cut-off switch when cap replaced for safety
- Can be used as a mini-torch with optional PPT12 flame tip
- Interchangeable soldering tips and hot air accessories screw on quickly and easily
- Soldering tips are iron plated for long life
- P2KC kit contains Portasol® P2C soldering tool, PPT9 hot air tip, PPT10 hot knife tip, PPT11 hot air deflector for heat shrink tubing, PPT12 flame tip, sponge and tray, tool holder, and operating instructions

See page 237 for soldering tip listing.

Portasol® Super-Pro Self-igniting Kit and Tool

Weller

PSI100K

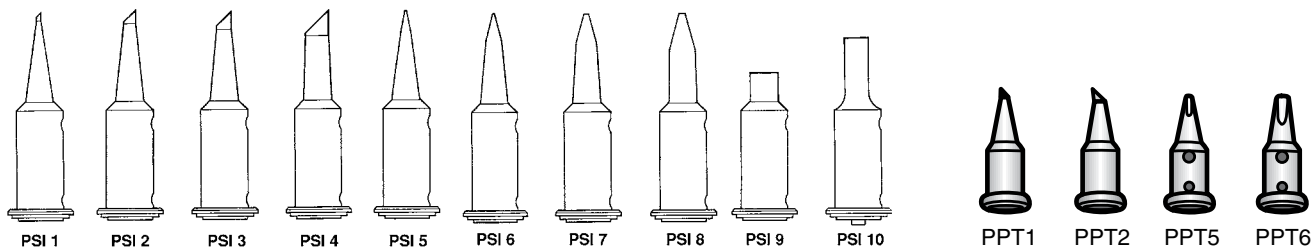

- Self-igniting portable butane heat tool - professional quality
- Ideal for service technicians for such uses as anti-static soldering, heat shrink and cutting rope
- Features "Auto Switch" safety shut-off, iron plated tips, and built-in butane filter
- Butane fuel level is visible through a window on the body of the tool
- Rugged stainless-steel body provides up to 125 watts of power
- Adjustable temperature up to 1,076°F
- Operates up to 2 hours per refill
- Refills with butane fuel - Weller® cat no. WB1 or WB2
- Kit contains PSI100 iron, sponge, stand and extra tips packed in a plastic case

See page 237 for soldering tip listing.

Magna-Lite Butane Micro Torch

- Piezo electronic ignition system for reliable ignition every time
- LED light illuminates work in dark conditions
- Adjustable flame height
- Refillable with Weller® WB1 or WB2 filtered butane
- Nozzle cover prevents accidental ignition
- Key ring lanyard
- For heat shrink tubing, fusing rope ends, frozen locks, camping
- Also for labs, and boating

8 Piece 25 Watt Short Barrel Hobby Iron Kit

- Fine quality consumer mini iron
- Featherweight iron with pencil handle
- Ideal for wood burning, hobbies and crafts
- Also ideal for jewelry, model railroads, and micro electronics
- Develops 900°F/482°C temperature
- Stainless steel barrel and heat and impact resistant handle
- Tips included: Patterb transfer, shading, universal, groove, calligraphy, stencil cutting, hot knife blade and chuck, dot, 3 branding tips
- UL listed

Стандарт Электрон Связь

Мы молодая и активно развивающаяся компания в области поставок электронных компонентов. Мы поставляем электронные компоненты отечественного и импортного производства напрямую от производителей и с крупнейших складов мира.

Благодаря сотрудничеству с мировыми поставщиками мы осуществляем комплексные и плановые поставки широчайшего спектра электронных компонентов.

Собственная эффективная логистика и склад в обеспечивает надежную поставку продукции в точно указанные сроки по всей России.

Мы осуществляем техническую поддержку нашим клиентам и предпродажную проверку качества продукции. На все поставляемые продукты мы предоставляем гарантию .

Осуществляем поставки продукции под контролем ВП МО РФ на предприятия военно-промышленного комплекса России , а также работаем в рамках 275 ФЗ с открытием отдельных счетов в уполномоченном банке. Система менеджмента качества компании соответствует требованиям ГОСТ ISO 9001.

Минимальные сроки поставки, гибкие цены, неограниченный ассортимент и индивидуальный подход к клиентам являются основой для выстраивания долгосрочного и эффективного сотрудничества с предприятиями радиоэлектронной промышленности, предприятиями ВПК и научно-исследовательскими институтами России.

С нами вы становитесь еще успешнее!
